Continuation Sheet (PTO-303)

Application No. 10/705,342

Continuation of 3. NOTE: The amendment filed on 08/20/07 has changed the language of the claims from a "load bearing section" to a "load bearing platform". The "load bearing platform" recites a more specific structure and would require further consideration by the Examiner. Claim 4 still contains language reciting a "load bearing section" This language would be inconsistent with the previous "load bearing platform" that has been added to the claims..
